Jeremiah,

EPA is working on getting a PRP search underway for portions of the upper Animas watershed, specifically around the Gladstone and upper Cement Creek mines. EPA would appreciate it tremendously if you could assist us by getting GIS data together for our PRP search staff and contractor, Toeroek.

Confirm whether that will be possible via email.

In case all is good, the Toeroek contacts are:

Kevin Geraci, kgeraci@toeroek.com, 720-898-4107

Lindsey Garner, lgarner@toeroek.com, 720-898-4105

Sincerely,

Sabrina Forrest
